PROFILE

As a Front-End Web Developer, I have advanced skills in React, Next.js, Chakra UI, HTML, CSS, and JavaScript. With my strong collaboration and problem-solving skills, I excel in delivering high-quality and responsive front-end solutions. My focus is on creating engaging and interactive user interfaces that provide a seamless user experience. I'm highly motivated to apply my technical skills to create beautiful, efficient, and performant front-end solutions.

PROJECTS

Kingdom Empowered ✍

- Created UI using NEXTJS, Material UI
- Used Data visualization tools like Highcharts.js
